**Re: Petition to Withdraw the Holding of Abandonment Under 37 CFR 1.181(a)  
Application Number 10/613,644**

To Whom It May Concern:

On April 19, 2006, the USPTO mailed a Notice of Abandonment Under 37 CFR 1.53 (f) or (g) with regard to Application Number 10/613,644 ("Application"). Please accept this letter as a formal Petition to Withdraw the Holding of Abandonment Under 37 CFR 1.181(a).

#### **STATEMENT OF THE FACTS**

On October 2, 2003, the USPTO mailed a Notice to File Corrected Application Papers ("Notice"), attached hereto as Exhibit "A" with regard to the Application. The Notice required two informalities to be corrected: 1) submission of a substitute specification due to the inability of the specification to be scanned or properly stored due to line spacing, and 2) additional claim fees of \$126. Thereafter on November 10, 2003, I responded to the Notice ("Reply") by submitting 1) a 1 ½ spaced substitute specification and 2) a check for \$126 to cover the additional fees, the cover letter of my reply is attached hereto as Exhibit "B".

On or about November 17, 2003, I received the self-addressed stamped index card, attached hereto as Exhibit "C" confirming receipt by the USPTO of the Reply. At that point, I believed I had adequately addressed the informalities having fully complied with the Notice, and awaited confirmation thereof.

Thereafter, on or about December 15, 2003, I received a second Formalities Letter, a Notice of Incomplete Reply ("Second Notice"), attached hereto as Exhibit "D", from the USPTO. The Second Notice required the following item: 1) additional claim fees of \$43 as a small entity. Having fully complied with the first Notice in particular having already sent in a check for \$126, it perplexed me that the Second Notice was requiring another \$43 for the same item which I had already sent in \$126. Therefore, on December 15, 2003, I immediately called the USPTO to resolve this matter. I spoke to a person at the USPTO, Eleanor Kurtz, who looked

into the matter. She had reviewed the matter, determined that the fees owed as stated in the Second Notice was incorrect and miscalculated, and that the miscalculation was due to a small fee increase that had occurred in the interim period. She told me that I had properly mailed in \$126, that an additional \$43 in fees was not owed, but \$3 in fees was owed due to a fee increase of one dollar per claim. She told me that it would be taken care of immediately if I faxed a Credit Card Payment Form with the payment. Therefore, that very same day I arranged with her to pay the additional \$3 by faxing the cover letter and credit card payment form as seen in Exhibit "E", as attached hereto. Please note the Description of Request and Payment Information states "Increase in fees of \$1/claim; 3 claims x \$1=\$3.00." From that point, I believed the matter had been fully resolved. Now, two and one-half (2 ½) years later, I receive from the USPTO, to my surprise, the aforesaid Notice of Abandonment.

### **ACTION REQUESTED**

Due to the facts stipulated above I humbly request the USPTO to immediately withdraw the holding of abandonment under 37 CFR 1.181(a). For two and one-half (2 ½) years I believed that the USPTO had been examining the Application. I note to you that all my actions were in good faith belief that that I had properly and fully replied to the original Notice, and paid all necessary filing fees. If there are any fee amounts due at this time, please inform me and I will have any such amounts paid immediately, provided such fees amounts are legitimately charged. However, I do not believe any such amounts are due as I fully paid all required fees.

Please let me know as soon as possible your determination with regard to this matter as I am anxious to have immediate resolution to this matter, and will take all necessary actions to remedy the outcome of the prosecution of the Application. I have attached hereto an affidavit stating that the facts stipulated in this petition are true to the best of my knowledge and belief.

Lastly, I wish to thank Ms. D. Grant who graciously and professionally advised me on the phone as to the petition procedures. Thank you for your time and cooperation in this matter.

Sincerely,
